

## STOP GUARDS™

### TAKE THE GUESSWORK OUT OF PARKING IN A GARAGE!

Action's Stop Guards™ are the perfect solution to offer your customers for preventing vehicle and property damage in their garage. Stop Guards™ Helps prevent damage to garage or carport due to miscalculations when parking, while making sure autos are pulled in far enough so the garage door doesn't hit them when it closes.

Will not crack or shatter, is resistant to oil, gas, anti-freeze and other chemical substances, remains flexible from -40 F to 150 F, and meets California Fire Marshall and CPAI-84 requirements for flame resistance. Comes prepackaged with adhesive and a full 2-year warranty.

**STANDARD KIT PRICING:** Kit pricing includes (2) 12" Parking Wedges & (1) 6 oz. tube adhesive for installation.
