

STORM SHIELD®

THE ORIGINAL GARAGE DOOR THRESHOLD

ONLY FROM ACTION INDUSTRIES

Storm Shield will block wind-driven rain, snow, dirt, sand and leaves to help reduce rust and moisture damage to tools and stored valuables and help reduce costly concrete repairs. Also works to keep more heat in to reduce energy costs, while keeping more rodents out.

Will not crack or shatter, is resistant to oil, gas, anti-freeze and other chemical substances, remains flexible from -40 F to 150 F, and meets California Fire Marshall and CPAI-84 requirements for flame resistance. Comes prepackaged with adhesive and a full 2-year warranty.
